<b>CLOSING OF THE FIRST PREQUALIFICATION PERIOD (deadline for the upload of Prequalification documents)</b>	May 8, 2026
<b>VALIDITY OF PREQUALIFICATION</b>	The validity of the Prequalification will begin on the date of notification via SAP ARIBA and will be valid for 5 years.
<b>SUPPORT DURING THE PROCESS</b>	Via Teams if necessary, or customer service in Bogotá: +57 1 3268000 ext. 5555 or WhatsApp: +57 311 341 8175
<b>DEPARTMENT</b>	BALLENA REGASIFICATION MANAGEMENT
<b>CATEGORY (CLASS)</b>	<p><b>221101:</b> Mooring equipment.</p> <p><u>AND/OR</u></p> <p><b>201435:</b> Installation tools for subsea projects. <u>AND/OR</u></p> <p><b>201436:</b> Subsea hoses</p>
<b>PARTICIPATION</b>	<p>THE APPLICANT must express their intention to participate by emailing <a href="mailto:gestionproveedores@geb.com.co">gestionproveedores@geb.com.co</a> , providing the following information:</p> <ul style="list-style-type: none"> <li>• Company Name</li> <li>• Tax ID</li> <li>• Contact Person</li> <li>• City</li> </ul>

- Phone
- Email

The **APPLICANT** will receive an email with the necessary information to complete the process on the SAP ARIBA platform. Once the registration process in the specified Class-level Category(ies) is complete, the prequalification questionnaire (Qualifications) will be enabled on the SAP ARIBA platform, where the applicant will upload the required supporting documents.

Suppliers may be prequalified, according to the prequalification requirements, as follows:

DESCRIPTION	
<b>A.</b>	Supply of mooring systems for natural gas regasification infrastructure (offshore) and subsea infrastructure.
<b>B.</b>	Supply of connection systems for natural gas regasification infrastructure (offshore) and subsea infrastructure.
<b>C.</b>	Supply of flexible transfer lines (risers and jumpers) for natural gas regasification infrastructure (offshore) and subsea infrastructure.

	DESCRIPTION
<p><b>REQUIRED EXPERIENCE</b></p> <p>The information attached to each prequalification questionnaire will be reviewed. THE <b>APPLICANT</b> must demonstrate their experience in the category(ies) in which they expressed interest using the following criteria, which may include one, some, or all of the following:</p>	<p>Demonstrate a <b>minimum of two (2) and a maximum of five (5) contracts</b> executed and/or currently in progress within the <b>previous ten (10) years</b>, counted from the date of submission of the documentation, with a value or sum of values equal to or greater than <b>11,000 SMMLV</b> including taxes, and in compliance with the following requirements: <b>SUPPLY OF MOORING SYSTEMS USED ON VESSELS, SUBMARINE INFRASTRUCTURE, AND NATURAL GAS REGASIFICATION TERMINALS IN OFFSHORE ENVIRONMENTS.</b></p> <p><b>TOGETHER WITH THE CONTRACT CERTIFICATIONS, YOU MUST SUBMIT THE CLASS APPROVAL DOCUMENTS ISSUED BY A CLASSIFICATION SOCIETY BELONGING TO IACS.</b></p> <p>In the case of contracts currently in progress, only those for which the percentage of completion as of the date of receipt of documentation is equal to or greater than fifty percent (50%) of their value will be considered.</p> <p><b>A.</b> THE INTERESTED PARTY may demonstrate experience with framework contracts that have been executed or are currently being executed; for this purpose, the purchase orders/services actually executed will be considered, based on the latest execution date.</p> <p>The APPLICANT may demonstrate the experience of its parent company and/or its controlled, subordinate, or subsidiary companies to meet the required technical capacity criteria. It is mandatory to indicate this condition in the prequalification questionnaire and to attach the <b>DECLARATION FROM THE PARENT COMPANY OR MEMBER OF THE BUSINESS GROUP TO WHICH THE APPLICANT BELONGS</b>, a document which the parent company and/or its controlled, subordinate, or subsidiary companies provide a guarantee. Additionally, the applicant must attach a document certifying the existence and legal representation of the parent company and/or its controlled, subordinate, or subsidiary companies, an organizational chart, and, in particular, a document certifying that the person signing the guarantee is authorized to represent the Parent Company or a member of the Business Group in these matters.</p>

	<p data-bbox="814 748 852 777"><b>B.</b></p> <p data-bbox="919 196 1919 423">Provide proof of <b>a minimum of two (2) and a maximum of six (6) contracts</b> executed and/or currently in progress within the <b>preceding ten (10) years</b>, counted from the date of submission of the documentation, whose value or sum of values is equal to or greater than <b>8,300 SMMLV</b> including taxes and in compliance with the following requirements: <b>SUPPLY OF CONNECTION SYSTEMS FOR SUBMARINE NATURAL GAS REGASIFICATION INFRASTRUCTURE</b></p> <p data-bbox="919 431 1919 659"><b>TOGETHER WITH THE CONTRACT CERTIFICATES, YOU MUST SUBMIT THE QUALITY CERTIFICATES FOR THE SUPPLIES, ISSUED BY THE MANUFACTURER IN COMPLIANCE WITH THE FOLLOWING STANDARDS: DNV-OS-C101 FOR STRUCTURAL REQUIREMENTS OF STEEL IN OFFSHORE ENVIRONMENTS, AND ISO 12944 FOR CORROSION PROTECTION IN SUBMERGED STRUCTURES EXPOSED TO THE MARINE ATMOSPHERE.</b></p> <p data-bbox="919 667 1919 761">For contracts currently in progress, only those whose percentage of completion as of the date of receipt of documentation is equal to or greater than fifty percent (50%) of their value will be considered.</p> <p data-bbox="919 802 1919 927">THE INTERESTED PARTY may demonstrate experience with framework contracts that have been executed or are currently in progress; for this purpose, purchase orders/services actually executed will be considered, based on the latest execution date.</p> <p data-bbox="919 935 1919 1362">The INTERESTED PARTY may demonstrate the experience of its parent company and/or its controlled, subordinate, or subsidiary companies to meet the required technical capacity criteria. It is mandatory to list this condition in the prequalification questionnaire and to attach the <b>DECLARATION FROM THE PARENT COMPANY OR MEMBER OF THE BUSINESS GROUP TO WHICH THE APPLICANT BELONGS</b>, a document which the parent company and/or its controlled, subordinate, or subsidiary companies provide a guarantee. Additionally, the document proving the existence and legal representation of the parent company and/or its controlled, subordinate, or subsidiary companies must be attached, along with an organizational chart, specifically the documentation confirming that the signatory of the guarantee is authorized to represent the parent company or member of the Business Group in these matters.</p>
--	--

	<p>Provide proof of <b>a minimum of two (2) and a maximum of five (5) contracts</b> executed and/or currently in progress within the <b>preceding five (5) years</b>, counted from the date of submission of the documentation, whose amount or sum of amounts is equal to or greater than <b>6,100 SMMLV</b> including taxes and in compliance with the following requirements: <b>SUPPLY OF FLEXIBLE TRANSFER LINES (RISERS AND JUMPERS) FOR NATURAL GAS REGASIFICATION INFRASTRUCTURE IN OFFSHORE ENVIRONMENTS AND SUBMARINE INFRASTRUCTURE. CERTIFICATES IN ACCORDANCE WITH APPLICABLE INTERNATIONAL STANDARDS BASED ON PIPE TYPE MUST BE SUBMITTED ALONG WITH THE CONTRACT CERTIFICATIONS, INCLUDING AT A MINIMUM: API 17J / ISO 13628-2 FOR NON-BONDED FLEXIBLE PIPING; API 17K / ISO 13628-10 FOR BONDED FLEXIBLE PIPING; API RP 17B FOR DESIGN, INSTALLATION, AND OPERATION GUIDELINES FOR FLEXIBLE PIPING; API 17L1 / 17L2 FOR ANCIALARY EQUIPMENT; AND ISO 19901-7 FOR OFFSHORE REQUIREMENTS APPLICABLE TO INTERACTION WITH FLOATING SYSTEMS AND ENVIRONMENTAL CONDITIONS.</b></p> <p><b>C.</b> In the case of contracts currently in progress, only those for which the percentage of completion as of the date of receipt of documentation is equal to or greater than fifty percent (50%) of their value will be considered.</p> <p>THE INTERESTED PARTY may demonstrate experience with framework contracts that have been executed or are currently being executed; for this purpose, the purchase orders/services actually executed, with the latest execution date, will be considered.</p> <p>The INTERESTED PARTY may demonstrate the experience of its parent company and/or its controlled, subordinate, or subsidiary companies to meet the required technical capacity criteria. It is mandatory to list this condition in the prequalification questionnaire and to attach the <b>DECLARATION FROM THE PARENT COMPANY OR MEMBER OF THE BUSINESS GROUP TO WHICH THE APPLICANT BELONGS</b>, a document which the parent company and/or its controlled, subordinate, or subsidiary companies provide a guarantee. ## FINANCIAL REQUIREMENTS

The financial information of each **APPLICANT** will be analyzed and evaluated according to the following criteria:

### REQUIRED INDICATORS:

#### WORKING CAPITAL (WC)

If the **APPLICANT** is applying for all categories, the working capital must be greater than or equal to **(WC) ≥ USD 4,275,000**

If applying for:

**A: USD 1,875,000**

**B: USD 1,400,000**

**C: USD 1,000,000**

**Or the sum for each category in which they apply. CT = CA**

**- CL**

**CT = Working Capital**

**AC = Current Assets PC**

**= Current Liabilities**

**Current Ratio (CR) ≥ 1.5**

RL = CA / CL

CA = Current Assets CL

= Current Liabilities

	<b>Debt Ratio (DR) <math>\leq</math> 0.7</b>  DE = TL / TA  TL = Total Liabilities  TA = Total Assets
